Subject: Top 10% of Class Nurse Candidate

Dear Ms. Johnson:

Having recently graduated from The Ohio State University, my enthusiasm and desire to assist others is deep and authentic. I graduated in the top 10% of my class and received numerous awards of achievement for my volunteer work in the community and a local hospital.

Please consider the following resume for the Pediatric Unit Registered Nurse position I found posted on your website on June 12. I hope you will be as happy about my credentials as I am about the prospect of working in such a renowned facility.

Standing by,

Kathy Lloyd
